

Time & Talent:

Take a few minutes with your family to brainstorm answers to these questions.

Who will be volunteering? Will everyone volunteer together? Or will you break into smaller groups within your family? Can you include grandparents? Cousins? Friends?

When can you spend time helping? Where is there a blank spot or two on your calendar?

What are you really good at or what do you most enjoy doing in your free time?

What about the rest of your family? What are their talents and skills?

Is there a special issue or skill that you want to learn more about?

What are your family's favorite charities?

How can the personality traits of your family be combined into a volunteer project? [Browse our projects](#) to get some ideas about what might fit.
